EQUIPMENT & MATERIALS

QZ-201 Paper Cutting Machine

Product configuration and technical specifications.

TECHNICAL SPECIFICATIONS

Cutting width	920 mm
Cutting height	120 mm
Cutting length	1,050 mm
Cutting speed	23 cuts/min
Motor	2.2 kW
Maximum pressure	25,000 N
Net weight	1,000 kg

Working output depends on material and configuration. Confirm the final specification with Yishuo.
